 - a) the date of issuance of policy; or
 - b) the date of commencement of risk; or
 - c) the date of revival of policy; or
 - d) the date of issuance of a rider to the policywhichever is later.

3. If the insurer intends to repudiate a life insurance policy, it has to communicate in writing to the insured or legal representative, as applicable, mentioning the ground and materials on which such decision is based.
4. Fraud includes the following acts committed by an insured or by his agent, with the intent to deceive the insurer or to induce issuance of a life insurance policy:
 - a) suggestion of a fact which is not true and which the insured does not believe to be true;
 - b) active concealment of a fact by the insured having knowledge or belief of the fact;
 - c) any other act fitted to deceive; and

 - a) the misstatement/suppression of a material fact was true to the best of his knowledge;
