

There are two groups for each loan category viz. Group 1 and Group 2

S No.	Types of loans
1	Home and Car loans
2	Education loans
3	Personal loans, Two wheeler loans, Loan against property, Credit cards and Recurring deposits
4	Tractor loans

The groups Group 1 and Group 2 are classified as under:-

Group 1- Multinational Banks, Private Sector Banks, Public Sector Banks, Top and Middle End Financial Institutions

Group 2- Cooperative Banks, Low End Financial Institutions and Credit Societies.

The sample rates attached are for Group 1 category for each loan category with coverage on flat and monthly reducing sum assured basis. We have assumed the rate of interest being charged on loan is at 9.50% p.a. for arriving at the premium rates.

Aviva Life Insurance Company India Ltd

Type of loan	Home and Car
