SSV = [(Paid up Sum Assured plus accrued Guaranteed Additions) X SSV Factor] less [Survival Benefits already paid, if any]

The Special Surrender Value Factors (SSV) can be amended by the Company from time to time after getting IRDAI clearance as per the regulatory requirements.

- Tax Benefits: Tax benefits will be as per the prevailing tax laws. Tax laws are subject to change.
- Nomination & Assignment:

Nomination, as defined under section 39 of Insurance Act 1938, as amended from time to time is permitted under this policy.

Assignment, as defined under section 38 of Insurance Act 1938, as amended from time to time is permitted under this policy.

Freelook period:

You have the right to review the policy terms and conditions, within the freelook period which is 15 days (30 days if policy is solicited through distance marketing) from the date of receipt of the policy document. If you cancel the policy during the freelook period, the company will refund the premium on the date of cancellation, after deducting expenses incurred on medicals (if any) and stamp duty.

Suicide Claim:

In case of death of the Life Insured due to suicide within 12 months from the date of commencement of risk under the policy or from the date of revival of the policy, as applicable, the nominee or beneficiary of the policyholder shall be entitled to at least 80% of the Total Premiums paid till the date of death or the surrender value available as on the date of death whichever is higher, provided the policy is in force.

Aviva Dhan Samruddhi - About premium payment

Section 41

In accordance with Section 41 of the Insurance Act, 1938,(1) No person shall allow or offer to allow, either directly or indirectly, as an inducement to any person to take or renew or continue an insurance in respect of any kind of risk relating to lives or property in India, any rebate of the whole or part of the commission payable or any rebate of the premium shown on the policy, nor shall any person taking out or renewing or continuing a policy accept any rebate, except such rebate as may be allowed in accordance with the published prospectuses or tables of the insurer.

- (1) Provided that acceptance by an insurance agent of commission in connection with a policy of life insurance taken out by himself on his own life shall not be deemed to be acceptance of a rebate of premium within the meaning of this sub section if at the time of such acceptance the insurance agent satisfies the prescribed conditions establishing that he is a bona fide insurance agent employed by the insurer.
- (2) Any person making default in complying with the provisions of this section shall be punishable with fine which may extend to ten lakh rupees".

Section 45

Policy not to be called in question on ground of misstatement after three years as per Section 45 of the Insurance Act, 1938 as amended from time to time.

Please Note

- Taxes including but not limited to Goods & Services Tax, Cesses as applicable shall also be levied as notified by the Government from time to time. Tax laws are subject to change.
- 2. If the Life Insured is a minor at inception of the policy:
- The risk shall commence immediately.
- The premiums will be payable by the policyholder who can either be a parent or grandparent or legal guardian of the Life Insured. In case of death of the policyholder before the premium payment term is over, future premiums can be paid by the surviving parent/legal guardian of the life insured. If the Life Insured is a minor and in case future premiums are not paid, lapse/paid-up provisions will apply.
- In case of death of the policyholder when the Life Insured is a minor, the policy shall vest in the surviving parent/legal guardian of the Life Insured upon submission of necessary application and supporting documents as required by the Company
- The policy will automatically vest in favor of the Life Insured on his/her completion of 18 years last birthday.

Aviva Dhan Samruddhi - Benefits

Guaranteed Additions: You will be eligible for Guaranteed Additions depending
on the chosen Policy Term, as per the table given below. The Guaranteed
Addition for a policy year will accrue at the end of each policy year during the
Policy Term, if all due premiums at the time of accrual of the Guaranteed
Addition are paid. The accrued Guaranteed Additions will be paid along with the
Maturity Benefit, or on death of the Life Insured, whichever is earlier.

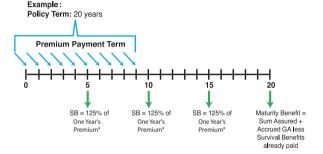

Guaranteed Addition per annum as % of One Year's	Policy Term (in years)		
	10	15	20
Premium*	7%	8%	9%

- *"One Year's Premium" shall be the premium amount payable in a year chosen by the policyholder, excluding the taxes, rider premiums and underwriting extra premiums, if any.
- Survival Benefit: You get guaranteed Survival Benefit equal to 125% of One Year's Premium at the end of every 5th policy year except at maturity, if all due premiums till the due date of Survival Benefit payments have been paid.

Policy term (in years)	Survival benefit payable at the end of policy year
10	5 th
15	5 th , 10 th
20	5 th , 10 th , 15 th

"One Year's Premium" shall be the premium amount payable in a year chosen by the policyholder, excluding the taxes, rider premiums and underwriting extra premiums,

 Maturity Benefit: If you pay all due premiums, you get a guaranteed Maturity Benefit equal to the Sum Assured plus accrued Guaranteed Additions till maturity, less Survival Benefits already paid.

One Year's Premium" shall be the premium amount payable in a year chosen by the policyholder, excluding the taxes, rider premiums and underwriting extra premiums if any

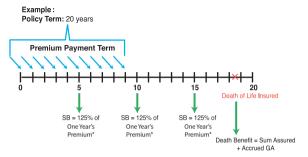

• **Death Benefit:** In the unfortunate event of death of the Life Insured within the Policy Term, the following payment would be made to the Nominee, provided all due premiums till date of death have been paid.

The amount payable on death shall be highest of the following amounts:

- a) 10 times of the Annualized Premium or
- b) 105% of the Total Premiums paid as on date of death or
- Sum assured of the policy plus the Guaranteed Additions accrued till the date of death without deduction of any survival benefits already paid

"Annualized Premium" shall be the premium amount payable in a year chosen by the policyholder, excluding the taxes, rider premiums, underwriting extra premiums and loadings for modal premiums. If any.

Total Premiums paid means total of all the premiums received, excluding extra premium, rider premium and taxes, if any.

One Year's Premium" shall be the premium amount payable in a year chosen by the policyholder, excluding the taxes, rider premiums and underwriting extra premiums, if any.

Grace Period:

"Grace Period" means the time granted by the insurer from the due date for the payment of premium, without any penalty or late fee, during which time the policy is considered to be in-force with the risk cover without any interruption, as per the terms & conditions of the policy. A grace period of 30 days is allowed for payment of yearly, half yearly or quarterly premiums and 15 days for payment of monthly premiums.

Non-payment of regular premium during second policy year (at least first years' premiums are paid but less than two years' premiums are paid):

- In case first years' due premiums have been paid and you fail to pay the next due premium within the grace period, the policy shall lapse.
- You can revive a Lapsed policy within a period of 5 years from the date of first unpaid premium by paying all due premiums together with applicable interest and revival fee.
- If you do not revive your policy, the policy shall terminate by paying 30% of Total Premiums paid at the end of the revival period.
- In the event of death of the Life Insured within the revival period, 30% of Total Premiums paid shall be payable at the time of death and the policy shall terminate.

Total Premiums paid means total of all the premiums received, excluding extra premium, rider premium and taxes, if any.

Non-payment of regular premium after first 2 policy years (at least two years' premiums have been paid):

 In case at least two years' due premiums have been paid and you fail to pay the next due premium within the grace period, the policy will become paid-up after expiry of the grace period and will acquire Paid-up Sum Assured calculated as:

Sum Assured x Number of Premiums paid

Total Number of Premiums payable under policy

No guaranteed addition will accrue after the paid-up date.

- You can revive a paid-up policy within a period of 5 years from the date of first unpaid premium by paying all due premiums together with applicable interest and revival fee.
- After becoming paid-up.
 - In case of death of the Life Insured during the policy term, the Paid-up Sum Assured plus the accrued Guaranteed Additions will be payable without deduction of any survival benefits already paid.
- In case of survival of the Life Insured till maturity, Paid-up Sum Assured plus accrued Guaranteed Additions less Survival Benefits already paid, if any, will be payable.
- Your lapsed/paid-up policy will not be entitled to any future Survival Benefits and to any future Guaranteed Additions. However, all Guaranteed Additions accrued till the date of paid-up will continue to remain attached with the policy and shall be payable along with the Paid-up Sum Assured.

Revival

You can revive your policy during the policy term but within a period of 5 years from the due date of first unpaid premium by submitting the proof of continued insurability of the Life Insured to the satisfaction of the Company as per the Board approved underwriting policy depending upon the sum to be revived and making the payment of all due premiums together with interest payment at 9% per annum compounded monthly, plus taxes, if any. The cost of medical examination, if any, shall be borne by you. A surrendered policy cannot be revived.

Company reserves the right to revive a lapsed/paid-up policy. The revival of a lapsed/paid up policy is also subject to payment of revival fee, which is ₹250 plus taxes. If any.

Surrender

- An in-force or a paid up policy can be surrendered provided all due premiums of at least first two policy years have been paid.
- Surrender Value payable is greater of the Guaranteed Surrender Value (GSV) and Special Surrender Value (SSV).

Where:

GSV = Total Premiums* paid x GSV Factor – Survival Benefits already Paid

Total Premiums paid means total of all the premiums received, excluding any extra premium, any rider premium and taxes.
