## Aviva Group Credit Life - Non Linked Non Participating Pure Risk Life Insurance Plan (UIN 122N116V01)

In today's world, all of us have big dreams. We aspire for great things for our families and ourselves. Things like owning a house, planning a family vacation across Europe, sending our kids to Ivy League universities etc.

To fulfill these aspirations, we tend to rely highly on EMIs, so it is important that we secure them against any uncertainties.

Which is why Aviva Life Insurance presents the Aviva Group Credit Life Plan. It is a plan that covers loan funding, in case the borrower is not around. It safeguards the loan and lets the family enjoy the assets created through loans and hard-earned savings, without any worries.

### Product Key Features

Aviva Group Credit Life is a Non-linked, Non-Participating, Pure Risk Life Insurance Plan, which provides cover against risk of death. The Bank, Financial Institution, Cooperative Banks and Credit society will be the Master Policyholder & all the borrowers, depositors of the institutions will be the member insured.

- Flexibility to choose from following options:
  - **Option A:** Death Cover with inbuilt terminal illness
  - **Option B:** Death Cover with inbuilt accelerated Accidental Total Permanent Disability
- Wide variety of loans covered including Housing Loans, Car Loans, Agricultural Loans, Educational Loans and Personal Loans etc.
- Joint Life Cover is available for Home Loan, Loan against Property, Education Loan and Business/Partnership Loan. Joint Life coverage can be on first death or Loan Sharing Percentage basis.
- Flexible Premium Paying Terms: single premium (SP) or as limited premiums (LP).
- Cover available during the moratorium period (with/without interest repayment).
- To provide protection with minimum formalities – no medical tests are required if individual member's Sum Assured is less than the Non-Medical Limit specified in the company approved underwriting policy.

### Coverage options:

This is a group life insurance plan where the financial institute is the Master Policy Holder and all its customers become Insured Members by opting membership under this scheme for insurance cover.

The following death benefit options are available for master policy holder to choose from basis the loan/asset investment structure:

- a. **Flat Sum Assured:** The Sum Assured will remain flat during the term of the policy.
- b. **Reducing Sum Assured:** The Sum Assured will reduce on

monthly basis as per the loan schedule annexed with the 'Certificate of Insurance (COI)'.

- c. **Reducing Sum Assured with Flat Cover during the Moratorium Period:** During the moratorium period, the Sum Assured will remain as a flat cover and once the moratorium period is over, the Sum Assured will reduce on monthly basis as per the loan schedule annexed with the 'Certificate of Insurance (COI)'.
- d. **Reducing Sum Assured with Increasing Cover during the Moratorium Period:** During the moratorium period, the Sum Assured will increase with respect to the outstanding interest and once the moratorium period is over, the Sum Assured will start reducing on monthly basis as per the loan schedule annexed with the 'Certificate of Insurance (COI)' for the member.

**The loan/repayment schedule of a member will depend on the interest rate & moratorium period opted for & agreed with master policy holder. This loan/repayment schedule will define the benefit under this group insurance plan for cover under reducing Sum Assured.**

**Aviva will pay benefits as per the original loan/repayment schedule prepared at the time of policy inception/member enrollment, irrespective of loan/repayment schedule as on the date of death of the insured member.**

### Joint Life Cover Option

There is joint life cover option available under the plan under the following loan types:

- Home Loan
- Loan Against Property
- Business/Partnership Loans
- Education Loan

The joint life cover will be maximum for 2 lives on the following basis:

**Type 1: First Death Basis:** Each life will be insured for 100% of the Sum Assured. In case of death of any insured member, the Sum Assured will be paid and the contract will terminate thereafter.

**Type 2: Each Life Basis:** Each life will be covered and insured up to his/her share of loan as mentioned in the membership form. In case of death of any member, Death Sum Assured pertaining to his/her share of Loan will be paid and cover would continue for other surviving life for his/her respective shares.

Other Benefits

Maturity Benefit:

There is no maturity benefit this being a term assurance plan.

Surrender Benefit:

Under Single Premium Cover, the cover may be surrendered anytime during the cover term. However, under limited premium cover where the premiums are payable upto 5 years, the cover can only be surrendered only once at least 2 full years’ premiums have been paid.

The surrender value for Single Premium/Limited Premium would be as under:

$$60\% \text{ of premiums* paid } \times \frac{\text{Outstanding term of the policy in months}}{\text{Policy term in months}} \times \frac{\text{Loan Outstanding}}{\text{Sum Assured at inception of the policy}}$$

\* Premium excludes taxes and/or extra premium paid, if any.

In case the group policy is surrendered by the master policyholder, the coverage for all covered members will continue till their coverage is terminated/expires. However insured member can approach insurer for surrender of his/her cover. The insurer shall continue to be responsible to serve such members.

Paid-up Benefit:

Limited Premium Policy:

**i) If less than 2 years premiums have been paid**

If due premium is not received within the grace period, the cover for the insured member will lapse. In case a lapsed cover is not revived during the revival period of 5 years, the cover shall be terminated by paying 30% of all the premiums paid. In case of death of the insured when the cover is in lapsed condition, 30% of all the premiums received shall be paid to the nominee and the cover will terminate.

Premium excludes taxes and/or extra premium paid, if any.

**ii) If at least 2 years premiums have been paid**

In case at least 2 years premiums have been paid and the due premium is not received within the grace period, the cover for the insured member will be reduced to a paid-up Sum Assured. The paid-up Sum Assured at time ‘t’ would be equal to:

$$\frac{\text{No. of Premiums Paid}}{\text{Total No. of Premiums Payable}} \times \text{Outstanding Loan}$$

Premium excludes taxes and/or extra premium paid, if any

In case of death of the insured member under a paid-up cover, only paid-up Sum Assured shall be paid and the contract will terminate thereafter.

A paid-up policy can also be surrendered where the surrender value would be determined as defined in the surrender section above.

### **Moratorium Period**

The Moratorium Period is the time during the loan term during which the borrower is not required to repay the loan. Moratorium period is covered under this plan & benefit will be equal to the Initial Sum Assured.

Coverage would be available for a moratorium period from 3 months to 7 years. The cover during the moratorium period would be of following type:

- **Type 1:** Level Cover in Moratorium Period (flat cover in the moratorium period)
- **Type 2:** Accumulation Cover in Moratorium Period (increasing cover during the moratorium period due to accumulation of outstanding loan interest)

After the moratorium period, the coverage amount will follow the reducing cover as per the loan/repayment schedule annexed with the 'Certificate of Insurance (COI)'.

### **Grace period**

Grace period of 30 days will be allowed from the premium due date for all frequencies other than monthly mode. In case of monthly mode grace period of 15 days is available. In case of death of insured member during grace period the due unpaid premium will be deducted from the Death benefit.

### **Revivals & Reinstatements Period**

For limited premium policies, if premium is not received within the grace period, the cover for the insured member will lapse.

A lapsed policy can be revived during the Policy Term but within a period of 5 years i.e. Revival Period from the date of first unpaid premium by submitting the proof of continued insurability of the insured member to the satisfaction of the Company as per the Company's Board approved prevailing underwriting guidelines depending upon the sum to be revived and making the payment of all due unpaid premiums.
