This option provides life insurance coverage in form of a lump sum benefit. In case of death of the insured member, Sum Assured is payable as a lump sum and coverage is terminated for that member.

2. Option B: Pure Term Cover with Terminal Illness Benefit
This option is available only for Employer-Employee OYRGTA schemes. This option provides life insurance coverage along with accelerated benefit for Terminal Illness.

Death Benefit

The plan offers two options.

- a) **Short Term Plan** where the coverage could be from 1 to 11 months with a Single Premium Payment and
b) **One Year Renewable Group Term Assurance (OYRGTA) Plan** with Annual Premium Payment where annual premium can be paid on yearly, half yearly, quarterly or on monthly basis.

The OYRGTA plan provides following two types of benefit options.

- Option A: Pure Term Cover-Lump Sum Benefit
This option provides life insurance coverage in form of a lump sum benefit. In case of death of the insured member, Sum Assured is payable as a lump sum and coverage is terminated for that member.
- Option B: Pure Term Cover with Terminal Illness Benefit
This option is available only for Employer-Employee OYRGTA schemes. This option provides life insurance coverage along with accelerated benefit for Terminal Illness.
In case of death of the insured member, Sum Assured is payable as lump sum. In case the insured member is diagnosed suffering from any terminal illness, 50% of the Sum Assured shall be accelerated and paid subject to maximum of Rs. 1 crore. Remaining amount of the Sum Assured is payable on the death of the insured member. In case death does not happen after Terminal Illness within the policy term, then the member will be eligible for the next renewal provided he/she satisfies the 'actively at work' clause at the time of renewal.

Terminal Illness is defined as an advanced or rapidly progressing incurable and un-correctable medical condition which in the opinion of two (2) independent Medical Practitioners specializing in treatment of such illness, certifies that the illness is expected to lead to death of the insured member within 6 months of the date of diagnosis of the Terminal Illness. The Insurer/Member reserves the right for an independent assessment of the Terminal Illness.

Medical Practitioner means a person who holds a valid registration from the Medical Council of any State or Medical Council of India or Council for Indian Medicine or for Homeopathy set up by the Government of India or a State Government and is thereby entitled to practice medicine within its jurisdiction and is acting within the scope and jurisdiction of license, provided such Medical Practitioner is not Member's Spouse, Father (including step father) or Mother (including step mother), Son (including step son), Son's wife, Daughter, Daughter's husband, Brother (including step brother) and Sister (including step sister) or Life Insured / policyholder under this policy.

'Actively at work' clause means that if an employee is not 'actively at work' on the day the policy goes into effect, the coverage will not begin until the employee returns to work.

Premium is payable by the Master policyholder. For a OYRGTA plan, in case an eligible member becomes insured member during the policy year, a pro-rata premium shall be payable for that member. Similarly, in case a member ceases to be an insured member during a policy year, under an OYRGTA plan, the insurer will refund pro-rata premium in respect of that member for that policy year.

Pro-rata premium is calculated by using following formula:

$N/T \times \text{Modal Premium}$

Where N is the number of days yet to be expired till the due date of next premium

Where T is the number of days for which Modal Premium is paid

Lender-Borrower Schemes:

In case the Master Policy is issued under Lender-Borrower category to any of the 'Regulated Entities', the Member shall have an option to issue an authorization in favour of insurer to the effect that in the unfortunate event of the Member's death during the Coverage Term, the claim amount, if any payable under the Master Policy shall first be utilized for payment to Master Policyholder for the outstanding loan amount as specified in Master Policyholder's Credit Account Statement and the balance amount, if any, payable under the Master Policy will be payable to the Member's Nominees / legal heirs or legal representatives (as applicable).
