Surrender Value (Complete Withdrawal)

Fund Value as on date of surrender subject to terms and conditions of discontinuance as mentioned below. .
“Discontinuance” means the state of a policy that could arise on account of surrender of the policy or non-payment of the contractual premium due before the expiry of the grace period.

Provided that no policy shall be treated as discontinued on non-payment of premium if, within the grace period, the premium has not been paid due to death of the insured or upon happening of any other contingency covered under the policy.

“Discontinued Policy Fund” means the segregated fund of the Company that is set aside and is constituted by the fund value of all discontinued policies, during lock-in period, determined in accordance with the IRDAI (Unit Linked Insurance Products) Regulations, 2019.

“Proceeds of the discontinued policy” means the fund value as on the date the policy was discontinued, after addition of interest computed at the interest rate as declared by Authority from time to time. The current minimum guaranteed interest rate applicable to the discontinued fund is 4% p.a.

Policy Discontinuance within the Lock-In-Period

For other than Single Premium policies, If Company does not receive the limited/regular Premium in full before the expiry of the grace period and such default takes place within the lock-in-period, it will credit the fund value in the discontinued policy fund after deducting the applicable discontinuance charge and the risk cover and rider/optional covers, if any, shall cease. All such discontinued policies shall be provided a revival period of three years from the date of first unpaid premium. On such discontinuance, Company shall communicate the status of the policy, within three months of the first unpaid limited/regular premium, to the policyholder and provide the option to revive the policy within the revival period of three years.

In the event policyholder opts to revive the Policy but does not do so during the revival period, the proceeds of the discontinued policy fund shall be paid to policyholder at the end of the revival period or lock-in period, whichever is later. In respect of revival period ending after lock-in period, the policy will remain in discontinued policy fund till the end of revival period. The discontinued policy fund management charge will be applicable during this period and no other charges will be applied.

In the event policyholder does not exercise the option as set out above, the Policy shall continue without any risk cover and rider/optional covers, if any, and the Funds shall remain invested in the discontinued policy fund. The proceeds of the discontinued policy fund shall be paid to the policyholder and the policy shall terminate at the end of the lock-in period.

However, the policyholder has an option to surrender the policy anytime and proceeds of the discontinued policy fund shall be payable at the end of lock-in period or date of surrender, whichever is later.

In case of Single Premium Policies, the policyholder has an option to surrender the policy anytime during the lock-in period. Upon receipt of request for surrender, the fund value, after deducting the applicable discontinuance charges, shall be credited to the discontinued policy fund.

Such discontinuance charges shall be applicable as prescribed by the Authority under IRDAI (Unit Linked Insurance products) Regulations, 2019.

The policy shall continue to be invested in the discontinued policy fund and the proceeds from the discontinuance fund shall be paid at the end of the lock-in period. Only fund management charges shall be deducted from this fund during this period. Further, no risk cover shall be available on such policy during the discontinuance period.

Revival of a Discontinued Policy during Lock-In-Period

In the event policyholder revives the policy, the policy shall be revived restoring the risk cover, along with the investments made in the segregated funds as chosen by policyholder, out of the discontinued policy fund less applicable charges in accordance with the terms and conditions of the policy.

The Policy holder, at the time of revival:

- shall pay all due and unpaid limited/ regular premiums without any interest or fee.
- shall pay policy administration charge and premium allocation charge as applicable during the discontinuance period. Guarantee charges, if applicable during the discontinuance period, shall be deducted provided the guarantee continues to be applicable. No other charges shall be paid.
- the discontinuance charge deducted at the time of discontinuance of the policy, shall added back to the funds.

Once a discontinued policy is revived, then all applicable charges shall be levied from time to time.

Policy Discontinuance after Lock-In Period

For other than Single Premium Policies

Upon expiry of the grace period, in case of discontinuance of the policy due to non-payment of premium after the lock-in period, the policy shall be converted into a reduced paid up policy with the paid-up sum assured i.e. $\text{Original Sum Assured} \times \left(\frac{\text{Total Number of Limited/Regular Premiums Received}}{\text{Original Number of Limited/Regular Premiums Payable under the Policy}} \right)$ as per the terms and conditions of the policy. The policy shall continue to be in reduced paid-up status without rider/optional covers, if any. All charges as per terms and conditions of the policy shall be deducted during the revival period. However, the mortality charge shall be deducted based on the reduced paid-up sum assured only.

On such discontinuance, Company will communicate the status of the policy, within three months of the first unpaid limited/regular premium to the policyholder and provide the following options:

- To revive the policy within the revival period of three years; or
- Complete Withdrawal i.e. Surrender of the policy

In case policyholder opts to revive the policy but does not do so during the revival period, the fund value shall be paid to policyholder at the end of the revival period.

In case policyholder does not exercise any option as set out above, the policy shall continue to be in reduced paid up status. At the end of the revival period the proceeds of the policy fund will be paid to policyholder and the policy shall terminate.

However, policyholder has an option to surrender the policy anytime and proceeds of the policy fund shall be payable.

In case of Single Premium Policies, the policyholder has an option to surrender the policy any time. Upon receipt of request for surrender, the fund value as on date of surrender shall be payable.

Revival of a Discontinued Policy after Lock-In Period

The policyholder can revive the policy within the revival period of three years. Where the policyholder revives the policy, the policy shall be revived restoring the original risk cover in accordance with the terms and conditions of the policy.

The Company, at the time of revival:

- shall collect all due and unpaid limited/ regular premiums without charging any interest or fee. The rider/optional cover, if any, may also be revived at the option of the policyholders subject to Company's board approved underwriting policy
- shall levy premium allocation charge as applicable. The guarantee charges, if any, shall be deducted, if guarantee continues to be applicable.
- no other charges shall be levied

The excess income earned in the Discontinued Policy Fund over and above minimum guaranteed interest rate shall also be apportioned to the Discontinued Policy fund.

It is recommended that your choice of funds be based on your appetite for risk.

Top-up Premium

The policyholder can make payment of top-up premium at any time during the currency of the contract provided that no limited/regular premium payments due till date are outstanding.

The policyholder may specify different proportion of funds into which the top-up premium should be invested. If the policyholder does not specify the allocation proportion at the time of making the top-up premium, the allocation proportion for top-up premium will be the same as applicable for regular/limited/single premium.

Top-up premiums are not allowed during the last 5 policy years of the plan.

At any point during the currency of the contract, the total top-up premiums paid shall not exceed the sum total of the regular/limited/single premiums paid at that point of time.

Top-up premiums once paid cannot be withdrawn from the fund for a period of 5 years from the date of payment of 'Top-up' premium, except in case of complete surrender of the policy.

The sum assured pertaining to top-up premium shall be equal to 1.25 times the top-up premium.

Partial Withdrawals

Partial withdrawals are allowed after completion of the first five policy years, provided the life insured has attained age 18 years last birthday.

Partial withdrawals can be made from the top-up premium unit account at any time after completion of five years from the date when units are allocated against that tranche of top-up premium, by cancelling units pertaining to top-up premium provided the life insured has attained age 18 years last birthday.

All partial withdrawals shall first be made from the top-up premium unit account, if any and if eligible, and when that is exhausted then the balance amount is to be withdrawn from the limited/regular/single premium unit account.

Any partial withdrawal from units pertaining to regular/limited/single premium shall be allowed only to the extent that the fund value of units pertaining to limited/regular premium, after the proposed partial withdrawal, does not fall below the 2 times the first year annualized premium or 1/5 times the single premium.

The partial withdrawals shall not be allowed which would result in termination of the policy.

The total number of partial withdrawals made in a policy year shall not exceed 4. These partial withdrawals, if un-availed in a policy year, shall not be carried forward.

On death of the life insured, the base sum assured shall be reduced by all the partial withdrawal(s)/ systematic partial withdrawal(s) made within two years prior to the date of death. The partial withdrawals from units pertaining to regular/limited/single premium shall only be counted for the purpose of adjusting the sum assured to be payable on death. Partial withdrawals made from the top-up premiums shall not be deducted for this purpose.

Units will be cancelled at their NAV from the respective fund as per the unit encashment conditions.

The minimum amount of partial withdrawals is Rs.5,000.

Systematic Partial Withdrawal from units pertaining to Limited/Regular/Single premium

The policyholder will have the choice to opt for a Systematic Partial Withdrawal option after completing first 5 policy years anytime during the policy term except during the last 3 years before maturity. Under this option, a fixed percentage of fund value pertaining to limited/regular/single premium at the time of start of Systematic Partial Withdrawal shall be payable to the policyholder as structured payouts out of his Unit account subject to following conditions.

1. Minimum fund value at the time of start of Systematic Partial Withdrawal should at least be Rs. 5,00,000.
2. The Payout Term should be any whole number from 3 to outstanding Policy Term.
3. During the payout period, all investment risks shall continue to be borne by the policyholder.
4. Direct Credit / ECS is available for all payout modes but facility to pay through Cheque is available only for Yearly and Half Yearly payout modes.
5. All the payments shall be made in arrears.
6. If at any time, during the payout period, the fund value falls below 2 times the first year annualized premium for Regular/Limited premium or 1/5 times the Single premium, then the Systematic Partial Withdrawal will stop and the policy will continue as per the terms and conditions.

In order to exercise this option, the policyholder will have to send us a written request at least 15 days prior to the month from which he wants to start the structured payouts while giving the following details:

- Payout Term: Should be a whole number from 3 years to outstanding Policy Term
- Payout Amount: Any proportion from 0.25% to 1% of Fund Value per month multiplied with payout frequency opted by the policyholder subject to a minimum of Rs. 15,000 per annum at the time of starting this option.
- Payout Frequency: Yearly, Half-Yearly, Quarterly, Monthly

Policyholder can stop this option at any time during the policy term. Policyholder can also restart this option subject to the conditions mentioned above.

Under Signature GenX Option, in case of death of the life insured, the sum assured shall be reduced by all the partial withdrawal(s)/ systematic partial withdrawal(s) made within two years prior to the date of death. The partial withdrawals from units pertaining to regular/limited/single premium shall only be counted for the purpose of adjusting the sum assured to be payable on death. Partial withdrawals made from the top-up premiums shall not be deducted for this purpose.

Premium Redirection

On request of the policyholder, the Company will allow the policyholder to modify the Allocation Proportion of renewal premium (proportion applicable for allocation of future premiums to various Funds) under the policy. The previous Allocation Proportion will become ineffective and the amended Allocation Proportion will be applicable from the date of acceptance of such request by the Company and will apply for all purposes in future.

Unit Switches

- i. At the request of the policyholder for unit switches from one fund to another, the Company will cancel Units of equal amount from the fund from which the Units are to be switched at the NAV of that fund and the amount will be used to create units in the fund in which the amount is to be switched at the NAV of that fund. The switching charge, if any, will then be deducted from the fund into which amount has been switched.
- ii. The unit switches will be free of charge.
- iii. The Unit switches will be allowed in only those funds, which are available for investments under this product.
- iv. The Unit switch request will be effected at the NAVs determined as per the unit encashment conditions.

Systematic Transfer Plan (STP)

Systematic Transfer Plan (STP) is a plan, which allows the policyholder to enter the equity market not abruptly at once but slowly at different times and at different levels and to enter the debt market during the last 2 years before maturity. This has the effect of averaging out the risks associated with the equity market, thus reducing the overall risk to the policyholder. However, all investments through this option are still subject to investment risks, which shall continue to be borne by the policyholder.

The policyholder can opt for a Systematic Transfer Plan (STP), which have following features/ conditions:

- This option is available provided at least 10% of premium is allocated to Protector Fund-II.
- Systematic transfer plan facilitates switching of units from Protector Fund-II to Enhancer Fund- II during the policy term except during last two policy years. During last two policy years the fund is switched back to Protector Fund- II.
- Systematic Transfer Plan (STP) option shall be available on any policy anniversary during the term of the policy except last three policy years, by giving a written notice at least 30 days prior to the policy anniversary.
- The policyholder shall have the option to choose between a monthly or a weekly STP for switching in equity market, but switching to debt market in last 2 policy years before maturity, shall be monthly only.
- Under this option, the following proportion of units in the Protector Fund-II will be switched from the Protector Fund-II into the Enhancer Fund-II every month/week during the policy year(s) (except for the last two policy years) in which the STP option is being exercised:

In case the policyholder has opted for a *monthly STP*, then:

Month 1	1/12th of the units available at the end of Month 1
Month 2	1/11th of the units available at the end of Month 2
.....
Month 6	1/7th of the units available at the end of Month 6
.....
Month 11	1/2 of the units available at the end of Month 11
Month 12	Balance units available at the end of Month 12

In case the policyholder has opted for a **weekly STP**, then:

Week 1	1/52nd of the units available at the end of Week 1
Week 2	1/51st of the units available at the end of Week 2
.....
Week 26	1/27th of the units available at the end of Week 26
.....
Week 51	1/2 of the units available at the end of Week 51
Week 52	Balance units available at the end of Week 52

- During the last 2 years (i.e. last 24 months) before maturity, the following proportion of units in the Enhancer Fund-II will be switched from the Enhancer Fund-II into the Protector Fund-II:

Month 1	1/24th of the units available at the start of 24th month before maturity.
Month 2	1/23th of the units available at the start of 23th month before maturity.
.....
Month 12	1/13th of the units available at the start of 12th month before maturity.
.....
Month 23	1/2 of the units available at the start of 2nd month before maturity.
Month 24	Balance units available at the start of last month.

- This option is available to Policyholders with Yearly Premium Frequency Only
- All the 12/52 automatic switches in a policy year will be free of cost.
- Conditions regarding switch fee, minimum switch, and minimum fund after switch etc. for normal switching option shall not be applicable to switches made under Systematic Transfer Plan.
- The policyholder may stop the automatic switches with effect from the next policy anniversary by giving a written request at least 30 days before the start of the policy anniversary.
- The policyholder may restart for this plan by applying at least 30 days prior to the start of automatic switching from Enhancer Fund-II to Protector Fund-II, even if he had stopped this plan in past. This plan shall only start at the policy anniversary.
- No other switches into or from the Protector Fund-II is allowed during switching to Enhancer Fund-II, correspondingly no other switches into or from the Enhancer Fund-II is allowed during switching to Protector Fund-II.

RetireSafe:

To ensure that short term market volatility does not affect the accumulated savings, Company has introduced RetireSafe strategy where the units in all the funds shall be systematically transferred to BOND-II Fund from all other existing funds, if any.

The transfer of the units shall be done in 12 quarterly tranches during the last 12 quarters before the maturity date.

No switching shall be allowed from the BOND-II fund to any other fund in the last 12 quarters of the Policy tenure.

In case STP is opted with annual mode of premium payment, RetireSafe shall be cancelled.

The policyholder has option to choose RetireSafe either at inception of the policy or at least 42 months before the date of Maturity.

Units present in fund other than BOND-II will be switched into the BOND-II in the beginning of every quarterly anniversary of policy, where the first switch will happen on 36 months before Maturity Date. Switches shall be done in the manner explained in below table:

Time Period	Units to be switched to Bond-II Fund
36th month from Maturity Date	1/12th of the units available in other than BOND-II fund at the beginning of period.
33rd month from Maturity Date	1/11th of the units available in other than BOND-II fund at the beginning of period.
.....
18th Month from Maturity Date	1/6th of the units available in other than BOND-II fund at the beginning of period.
.....
6th Month from Maturity Date	1/2 of the units available in other than BOND-II fund at the beginning of period.
3rd Month from Maturity Date	Balance units available at the beginning of period.

Exclusions

There are no exclusions other than Suicide claim provisions given below:

Suicide Clause: In case of death due to suicide within 12 months from the date of commencement of the policy or from the date of revival of the policy, as applicable, the nominee or the beneficiary of the policyholder shall be entitled to the fund value, as available on the date of intimation of death.

Any charges other than fund management charges (FMC) and guarantee charges, if any, recovered subsequent to the date of death shall be added back to the fund value as available on the date of intimation of death.

The policy will terminate after the payment of the said Fund Value.

Important notes

- 1) **Policy Vesting:** If the life insured is a minor at the date of commencement, then:
 - a. Premiums will be payable by the policyholder who can either be a parent or grandparent or legal guardian of the life insured. In case of death of the policyholder before the premium payment term is over, future premiums can be paid by the surviving parent/legal guardian of the life insured. If the life insured is a minor and in case future premiums are not paid, discontinuance provisions stated above will apply.
 - b. In case of death of the policyholder when the life insured is a minor, the policy shall vest in the surviving parent/legal guardian of the life insured upon submission of necessary application and supporting documents as required by the Company.
 - c. Policy shall automatically vest in the life insured on his/her completion of 18 years of age.
- 2) Risk shall commence immediately from the date of commencement of the policy.
- 3) Premiums paid will be used to allocate units, after adjusting for the allocation rate, in the various funds as chosen by the policyholder. Charges will be deducted from the unit account by way of redeeming appropriate number of units.
- 4) Taxes including but not limited to Goods & Service Tax, Cesses as applicable shall also be levied as notified by the Government from time to time.
- 5) Change in premium payment frequency: the policyholder can change the frequency of paying the premium on any policy anniversary
- 6) **NAV Calculations:** The NAV shall be calculated on a daily basis in accordance with IRDAI guidelines from time to time. As per the current IRDAI guidelines, NAV of the fund shall be computed as:

Market Value of investment held by the fund + Value of Current Assets –
(Value of Current Liabilities & Provisions, if any)

Number of Units existing on Valuation Date (before creation / redemption
of Units)

- 7) **Unit Encashment Conditions:** Transaction requests (including renewal premiums by way of local cheques, demand draft, switches etc) received before the cutoff time will be allocated the same day's NAV and the ones received after the cutoff time will be allocated next day's NAV. The cut off time will be as per IRDAI guidelines from time to time which is currently 3:00 p.m. For the premium received through outstation cheques, NAV of the clearance date or due date, whichever is later, will be applied.
- 8) **Provision for Loan:** There is no provision of loan under this policy from Aviva.
- 9) **Nomination and assignment:** Nomination shall be as per Section 39 of the Insurance Act, 1938 as amended from time to time. Assignment shall be as per Section 38 of the Insurance Act, 1938 as amended from time to time.
- 10) **Freelook period:** The policyholder has the right to review the policy terms and conditions, during the free look period which is 15 days from the date of receipt of the policy document (30 days in case Policy is solicited through Distance Marketing or in case of Electronic Policies).

Distance marketing includes every activity of solicitation (including lead generation) and sale of insurance products through the following modes:

- Voice Mode
- Short Messaging Service
- Electronic mode which includes e-mail, internet and interactive television (DTH)
- Physical mode which includes direct postal mail and newspaper & magazine inserts; and
- Solicitation through any means of communication other than in person. Policyholder shall be entitled to a refund of the fund value on the date of cancellation plus the un-allocated premium (allocation charges) plus any charge deducted by cancellation of units minus proportionate risk charges for the period on cover minus expenses incurred on medical examination, if any, and stamp duty charges.

Freelook facility is available on all options available under the product.

- 11) **Grace Period** for other than Single Premium Policies means the time granted by the insurer from the due date for the payment of premium, without any penalty or late fee, during which time the policy is considered to be in-force with the risk cover without any interruption, as per the terms & conditions of the policy. The grace period for payment of the premium shall be fifteen days where the policyholder pays the premium on monthly basis and thirty days in all other cases.
